Your My Army Post App (MAPA)

Top 5 things to know about this app...

- 1) It replaces the Digital Garrison (DG) app. It supports two of the Chief of Staff's SFRG priorities: 1) Welcoming Families & Soldiers and empowering Families and Soldiers with 2) Reliable Community & Unit information "at our fingertips".
1. It is live at 32 installations: Aberdeen, Camp Humphreys, Detroit Arsenal, Dugway, Forts: Belvoir, Benning, Bragg, Carson, Cavazos, Detrick, Drum, Gregg-Adams, Irwin, Johnson, Knox, Leavenworth, McCoy, Meade, Riley, Sill, Stewart-HAAF, Wainwright, Walker, Myer-Henderson Hall, Redstone, Rock Island, Ansbach, Bavaria, Vicenza, Rheinland-Pfalz, Weisbaden, West Point. The remaining 34 will soon be on-line. Check with your installation's [Garrison Command Team](#) to find out more about roll-out dates.
2. It is "bespoke" for each installation to empower them to address the unique needs of their location and population. Installations have the ability to can highlighting the resources and information most helpful to their customers. That means the installation Public Affairs Team (PAO) needs to hear from all of us who use the app.
3. **YOU are the customer! As a spouse and family member, you offer a unique perspective.** If your installation has the app, download it from the Apple App Store or Google Play. If it's missing information or not highlighting resources you think families, especially newcomers, would find helpful, tell your installation! (Note- there is a "contribute" option to give "real time" feedback/corrections about wait times, hours and contact information.)
4. Where to share your feedback:
 - a. Your Installation's Public Affairs Office
 - b. Your Installation's Garrison Commander/Team
 - c. Your SFRG Leadership (volunteer and/or active duty)
 - d. Through Army Community Service (ACS)
 - e. Your Installation's monthly information meetings
 - f. Your Installation's welcome/newcomer briefs
 - g. Through the [Army Family Action Plan \(AFAP\) portal](#).

Our Goal: Every Army Spouse & Family are Aware of Big Army Information, Efforts, and Initiatives.
