YEAR 3 - Final Move/ Home of Selection

This is for informational purposes only and is not intended to imply endorsement by the Army, Army National Guard, Army Reserves, or the Survivor Outreach Services Program of benefit, organization, corporation, or product. Information in this packet is subject to change without notice. Please contact the entity for the most up to date information.

Eligible surviving spouses are authorized one relocation move at government expense, which must be completed within **three years**. This is just a reminder that if you have not yet completed your final move, the deadline to submit the application for your Home of Selection (HOS) Extension is quickly approaching. I have included the 'Making the Final Move' guide from Military OneSource as well as agencies that you will want to update when you move. Please let me know if you have questions about this upcoming deadline.
